

# **CITIZEN INFORMATION MEETING**

## **Creighton Rd (Rt. 615) & Cold Harbor Rd (Rt. 156) Proposed Intersection Improvement**

**May 10, 2016, 5-7 p.m.**

**Cold Harbor Elementary School  
Auditorium/Cafeteria  
6740 Cold Harbor Road, Mechanicsville, VA 23111**

Hanover County is developing plans to improve the intersection of Creighton Road and Cold Harbor Road in Mechanicsville. These plans have recently been revised, and a modern roundabout is now planned for the intersection. Compared to the initial design concept, the roundabout will reduce the number of impacted parcels, lessen right-of-way and utility impacts, improve access to existing businesses and other properties, and provide better overall level of service at a significantly lower cost.

An information meeting will be held on May 10, 2016 from 5:00 p.m. to 7:00 p.m. at Cold Harbor Elementary School (6740 Cold Harbor Rd, Mechanicsville, VA 23111) to review the revised plan for the intersection and answer questions. Hanover County staff will provide a brief presentation beginning at 6:00 pm. Prior to and following the presentation, there will be an opportunity to ask questions and review the preliminary plan with County staff. If you are unable to attend, you may contact Joe Vidunas at (804) 365-6371 or [javidunas@hanovercounty.gov](mailto:javidunas@hanovercounty.gov) to obtain copies of meeting materials and other information about the project.

If special assistance is needed for persons with disabilities or limited English proficiency, contact Joe Vidunas at the above e-mail address or phone number, or TTY 711.
