Community Meeting Guidelines

It is often recommended that applicants who file a zoning application for Rezoning, Conditional Use Permit, Special Exception Permit, or a Comprehensive Plan Amendment arrange a community meeting with surrounding property owners. These meetings are particularly necessary for complex rezoning applications or cases with significant community interest.

What is the purpose of a community meeting?

A community meeting allows the applicant the opportunity to present their case to the community and also obtain feedback from citizens who may have questions, concerns, or comments about the proposal.

When should the meeting be scheduled?

The applicant is responsible for scheduling the meeting. It should be scheduled at least one month prior to the date the application is scheduled to be heard by the Planning Commission or Board. This timeframe should allow the applicant time to make any necessary changes to the application following the meeting and still meet the 21-day Planning Commission or Board deadline. The Planning Staff recommends that applicants schedule the meeting after all agencies have conducted their initial review of the application.

Who should be contacted to arrange for the meeting time?

The applicant should coordinate with their Planning Commissioner, Board of Supervisors representative, and Planning Staff to arrange the meeting time and location. After the meeting has been scheduled, the remaining Planning Commissioners should also be invited and notified of the meeting time and location.

Where and at what time of day should the meeting be held?

The applicant is responsible for finding a location to hold the meeting. Potential locations often include churches, fire stations, and libraries.

The meeting should be held in the evening, Monday through Thursday, beginning around 6:00 pm or 7:00 pm. Meetings typically last from one to two hours, depending on the complexity of the case. It is recommended that applicants prepare an agenda for the meeting, setting aside time for staff comments, a presentation by the applicant, and a question and answer period. A sample agenda is attached.

Who should be notified about the meeting?

The applicant should start by sending written notices to adjacent property owners. At times, it may be appropriate to notify all of the residents within the subdivision (if the property is within a subdivision). The applicant should also ask the assigned planner if he or she has been contacted by other interested parties who may want to attend the meeting. If so, those parties should be notified of the meeting. It is helpful to include a copy of the proposed sketch plan or conceptual plan with the notice. This will allow citizens who may not be able to attend the meeting the opportunity to educate themselves about the nature of the project. Property owner information may be obtained from the County's website. (Directions for using this website are attached). It may also be necessary to notify representatives of nearby communities, such as the president of a homeowners association.

TO THE APPLICANT:

It is the policy of the Hanover County Board of Supervisors, the Hanover County Planning Commission, and Hanover County Board of Zoning Appeals to require a property to be posted when a zoning action is being considered. Such a posting notifies the general public of an impending action and the location being considered.

It is incumbent on you, the applicant, to insure the sign is in the proper location and remains there until an action has taken place. Consequently, the procedure for posting is as follows:

1. The Planning and Zoning Staff will post the sign on your property.
2. You should check the location of the sign to make certain it is in the right place on your property. If it is not, notify the Planning Office as soon as possible.
3. You should check periodically to insure the safety of the sign. If it is stolen or otherwise harmed, notify the Planning Office as soon as possible.
4. On the day of the final public hearing on your case, you may bring the sign with you and leave it in the Planning Office. Make sure the return of your sign is noted by a member of the Planning Staff.

Should you have any questions regarding this policy, please contact a member of the Planning Staff.
