Instructions

Property assessments are based on the guides developed by N.A.D.A. Official Guides.

If you wish to appeal your assessment due to the condition of the item, the appeal form must be submitted to the Commissioner of the Revenue with the proper documentation.

The form can be mailed, faxed, emailed or delivered to the office. All appeals will be reviewed and responded to within five (5) working days.

1. Review the form carefully and answer all questions. Please include supporting documentation such as repair estimates, pictures, etc. Additional sheets may be used if more space is necessary to describe the condition of the vehicle. **The appeal will be denied if no supporting documentation is included.**
2. The condition of the item must be below average and must not be due to average wear and tear on the item.
3. If the condition of the item is not restored, then an appeal form must be filed each year with the Commissioner of the Revenue.
4. If the appeal form is filed within 10 working days of the due date of any personal property billing, then the entire bill must be paid by the due date to avoid penalty & interest. Any adjustments made to the bill will result in a credit on the account. The credit can either be refunded or applied to another tax or fee due to Hanover County.
