4K Pizza Race & Relay

Friday, July 12 | 6:30 pm
Pole Green Park

www.hanovertomatofestival.com

Ages: 12 and up. Kick off the Hanover Tomato Festival with the popular and fun 4K Pizza Race & Relay! This fun event is all about pizza! The 2.5 mile course includes multiple "pizza stations" at the start and along the race route where a delicious slice of Papa John's pizza will be waiting for you. Pizza Relay teams consist of five team members, each must run or walk approximately 1/2 mile while carrying a pizza box and consume a slice of pizza at each assigned station.

First place finishers in the male and female divisions completing the 4K, consuming a slice of pizza at each stop, will win Papa John's Pizza for a year. The first team to finish wins pizza for a year and Pizza Relay team members will win two free large pizzas.

Come dressed in your "Pizza-best" for your chance to win Pizza for a Year!

Fee (includes race t-shirt): \$20 (individual) or \$10 (relay team member)

Course # 7408

'Make the Scene' as we take a step back in time to the Cruise In days when the parking lots at Hanover High (Route 301) fill with beautiful classic automobiles (pre-1998) while the sounds of the 50's, 60's and 70's play in the background.

Classic automobile owners: Make sure you claim 'dibs' on your space at the Cruise In. Door prize drawings will be held throughout the evening and sponsored goodie bag items will be available to those owners that drive their classic to the Cruise In.

Historic Hanover Bus Tours

Saturday, May 18 | 9:00 am - 3:30 pm | Fee: \$20

These annual tours of Hanover County are generously supported by Richmond Region Tourism and Hanover County. Each tour includes a boxed lunch, snacks and water. Transportation for the day will be via chartered bus and tours are led by Richmond Discoveries. You can register for either tour online under Parks & Recreation>Recreation Classes from www.hanoverparksrec.com. When registering for tours, please be sure to note any special dietary needs.

Meet bus at Hanover County Government Complex, 7497 County Government Complex, Hanover, VA 23069.

► Historic Bus Tours: Civil War Battlefields (7327)

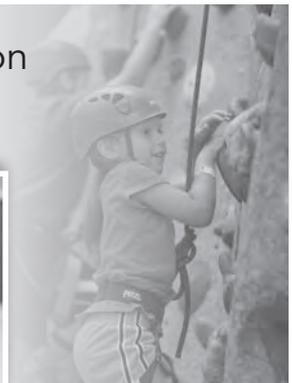

Hanover Court House, Mechanicsville, Beaverdam Creek, Gaines Mill, Totopotomoy Creek, Cold Harbor - these are the battlefields of Hanover, large and small. Journey on the back roads to these and other sites affected as the armies passed through Hanover during the Civil War. It is in these skirmishes and battles that the war became very personal to the citizens of Hanover. Visit the Shelton House (Rural Plains) to see how war affected the civilians of Hanover. The tour also includes a visit to a Confederate Soldier's camp for a discussion of the life of the common soldier. You will be transported back in time and entertained as our soldier presents history with a healthy dose of humor. Conclude the tour at Cold Harbor battlefield, Lee's last victory and the only battle Grant said he wished he had never fought.

► Historic Bus Tours: Road to Revolution (7326)

Hanover played a key role in the American struggle for independence. Beginning at Hanover Court House hear the story of how young Patrick Henry lit the spark of the Revolution. Visit the Pole Green Church site where the young Henry often attended church. Tour Rural Plains which is open especially for this tour and hear the story of Henry's marriage to Sarah Shelton. Tour Scotchtown, home of Patrick Henry, and while there visit with the Marquis de Lafayette and hear how he helped us win our independence.

Parenting Education

Taught by Hanover County Community Services Board.
Pre-registration is required, as space is limited.

Parent enrollment in concurrent workshop is required.

► **1-2-3 Magic** (Course 7467)

Ages: 18 and up. This workshop is based on the award-winning, best-selling 1-2-3 Magic book by Thomas Phelan, Ph.D. Parents will learn specific techniques to minimize whining, arguing, and tantrums in children. The workshop will also provide strategies to encourage positive behavior in children (cleaning up after themselves, going to bed on time, and completing homework assignments).

Making Healthy Choices (Course 7468)

Ages: 5 to 11. Children are invited to attend a life skills workshop and learn skills they need to make healthy life choices.

Th 7/18 6:15-7:45p

► **Creating Positive Sibling Relationships** (Course 7477)

Ages: 18 and up. It is difficult to watch children we love quarrel and fight. We want our children to be compassionate and loving with one another. Sibling relationships are typically the longest lifetime friendship your child will ever have. In this workshop, parents will learn specific strategies to help their children resolve conflict peacefully with their siblings.

Peaceful Siblings (Course 7478)

Ages: 5 to 11. Children are invited to attend a life skills workshop on developing strong sibling relationships. Participants will learn how to identify the process of conflict and negotiation and explore effective techniques for creating resolutions to potential future conflicts.

Th 8/1 6:30-7:30p

► **Giving Children Responsibility for Themselves** (Course 7463)

Ages: 18 and up. Responsibility is a character trait that helps children become self-reliant, proactive, cooperative, and confident. This workshop will help parents provide children with responsibilities that are commensurate with their age and abilities.

The Path of Responsibility (Course 7464)

Ages: 5 to 11. Children are invited to attend a life skills workshop. They will learn valuable lessons in personal responsibility by encouraging independence and self-awareness.

Th 7/25 6:30-7:30p

► **Helping Children Cope with Stress**

(Course 7473)

Ages: 18 and up. All children will experience stress from time to time. Any period of adjusting to change like starting a new school or getting used to having a new baby brother or sister can be hard. Problems with schoolwork or conflicts with other children can all create stress. This workshop will help parents teach their children how to handle new or frustrating situations and teach ways of managing stress.

Butterflies in My Stomach (Course 7474)

Ages: At least 5 but less than 12. Children will discover effective ways for calming down, releasing their worries and coping through relaxation skills.

Th 7/11 6:30-7:30p

► **Nurturing Self-Esteem in Children**

(Course 7469)

Ages: 18 and up. Self-esteem influences the self-confidence your child will have throughout his or her life. It will have an impact on your child's friendships, creativity, productivity, relationships with family members, and success in school. This workshop will help parents discover the main sources of self-esteem and gain skills for developing self-esteem in children.

Positive Me (Course 7470)

Ages: 5 to 11. Children will discuss how positive thoughts and feelings equal positive actions.

Th 6/27 6:30-7:30p

► **Parenting a Child with ADHD**

(Course 7475)

Ages: 18 and up. This workshop is designed to address the unique parenting skills needed to parent a child with ADHD. You will learn specific strategies to help your child develop positive habits and minimize negative behaviors, help your child understand and manage their feelings, and optimize learning at school.

Skill Building in Children with ADHD (Course 7476)

Ages: At least 5 but less than 12. Children are invited to attend a life skills workshop. They will learn skills on organization, setting goals, and managing strong feelings.

Th 8/8 6:30-7:30p

► **More Than Sad: Understanding Teen Depression**

Ages: 18 and up. Participants will learn how depression can affect adolescents. This workshop is ideal for anyone who works with teens or is a parent of an adolescent. Participants will be linked with local resources to help teens with depression.

7485 T 6/11 9:00-11:30a

► **Strengthening Families Program**

Ages: 18 and up. Do you want to improve your relationship with your child? This program is designed for families with teens and is unique because it is designed for the whole family. This free program is limited to the first ten (10) Hanover families with a child age 10 - 14. Dinner is provided. Parents meet to learn about adolescent development and share ideas that work, while the middle-schoolers learn their own set of skills. Then the two groups join together to practice what they've learned and have some fun.

7484 T 7/9-8/20 5:30-8:00p

► **Youth Mental Health First Aid**

Ages: 18 and up. This workshop is designed to teach parents, family members, caregivers, teachers, school staff, peers, neighbors, health and human services workers, and other caring citizens the skills to help an adolescent (age 12-18) who is experiencing a mental health crisis or addiction. It teaches a 5-step action plan to offer initial help to people with the signs and symptoms of a mental illness or in a crisis, and connect them with the appropriate professional, peer, social, or self-help care.
