

Blue Planet

My Science Notebook

Name _____

Print this notebook page and use it to record what you learn as you explore the *Blue Planet* page at DiscoverWater.org.

Make and color a pie chart to show how much water and land are at the Earth's surface.

Where do you live? What is your water address? What is your "attitude" about water and how does where you live affect it?

Why do we call our planet Earth when the surface is mostly water?
