Subject: Re: Hanover county contact

Good Morning Everyone,

I wanted to let you know that Chickahominy Pipeline has mobilized our Land Group to start the conversations along the pipeline route with the property owners in each county. Our hope is to obtain the options on the rights-of-ways that will make our pipeline lateral linear over the 83 miles.

I will do my best to keep you informed and you can expect, at a minimum, a weekly update. Sincerely, Tim Seibert
