Re: Wegmans/Project Tiger
Hanover County, Virginia
DHR File No. 2019-0791

Dear Mr. Miller:

The Department of Historic Resources (DHR) has received for our review and comment additional information in response to our comments dated April 21, 2022 regarding the Completion of Fieldwork memorandum for data recovery excavations at site 44HN0326 prepared by Dutton + Associates. Our comments are in accordance with the Memorandum of Agreement (MOA) executed May 2021 relative to the Project Tiger/Wegmans Project in Hanover County, Virginia.

The additional information adequately addresses DHR's concerns about the excavation of the two well previously identified within site 44HN0326. DHR has no further comments and it is DHR's opinion that the work completed is consistent with the data recovery plan.

If you have any questions regarding these comments or our review, please feel free to contact me at samantha.henderson@dhr.virginia.gov or (804) 482-6088.

Sincerely,

Samantha Henderson, Archaeologist
