Standing Committee Meeting Minutes 12/20/22

RMP TAC Meeting:

The RMP TAC Meeting was held on December 20, 2022 at 9:45 am. The meeting was attended by committee members Leigh Pemberton, Sharon Conner, Kemper Marable and Kelsey Williams.

Ms. Conner presented three RMPs for certification review. She noted that field certifications had been conducted on December 1, 2022 with herself, Tim Woodward (Tellus), Barbara McGarry (DCR), and Kelsey Williams (H-SWCD). The RMPs reviewed and field verified were 30-20-0002, 30-20-0005, and 30-20-0007. There were no issues found in the field with any of the Farms and Tracts inspected. The only issue is with the tracking program. Two of the RMPs need slight modifications, but Ms. McGarry reported that there are some bugs that they are dealing with in tracking.

The committee recommended approval and certification of all RMPs inspected pending the plan modifications are made in the DCR tracking program.

There being no further discussion, the committee meetings adjourned at 10:00 am.

Respectfully submitted,
Sharon L. Conner

Leigh Pemberton, District Chairman
